

- I will waive my attendance allowance of £11,220 if elected, donating it to local good causes.
- Reduce the council tax, ensuring Central Bedfordshire delivers the promised cost savings for the new unitary authority.
- Preserve and create jobs in our local economy, steering our community through the current economic downturn- securing grants and support for local businesses and start-ups.
- I stood as a local Independent Prospective Parliamentary Candidate in 2005, as I believe passionately in bringing change, opportunity and better facilities to our area.

- o I have lived in the parish for over 11 years, and in Bedfordshire for 30 years.
- o My children have attended Maulden Lower School, of which I am a Governor, and both will be at Alameda Middle School, Ampthill.
- o Village schools must be preserved whatever the outcome in the 3 tier vs 2 tier debate. Our schools are the "hearts" of our villages.
- o Protecting our rural nature, keeping out urban creep of the Wixams development, Ampthill, and Milton Keynes.
- o Protect and improve village facilities- Post Offices, Shops, Parks & Pubs.

- o We must improve community facilities like Village halls, allotments, children's recreational facilities, and Youth Clubs.
- o Improve road safety, such as pedestrian crossings and 20 mph zones, especially around schools & nurseries.
- o Improve our Transport links, with regular, cheaper and "greener" buses and trains.
- o Work with Police to increase patrols and reduce crime.
- o Improved, high quality services, schooling, safe roads, affordable "greener" housing, curb green-field developments, free social services & health-care.

*You have two votes, please use one to
"Vote For Change"
in Maulden & Houghton Conquest Ward*
